See how your investment is making a difference

In 2015, our Transforming Lives Program (TLP) has helped 13 families transition from homelessness to stable housing.

Pictured to the left, Lisa and Anthony and their two sons, Dominick and Robert, were homeless when they came to NCM. After 6 months of being in our TLP program, they recently moved into their new apartment.

The goal of Transforming Lives is to guide families from poverty to economic responsibility and teach life skills and workforce education.

"The Co-op means hope to me and my family. They have helped us stay together as a family and made us grow with God's will."

Transforming Lives in Action...

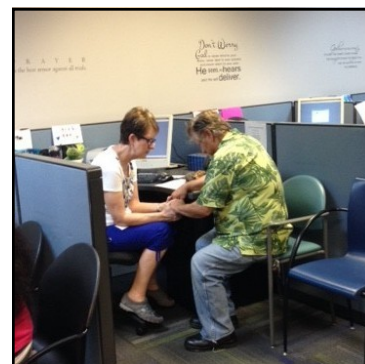

This year we had 46 people attend our Job Empowerment Series which included Job Readiness, Resume Preparation and Interview skills.

Sixty one clients have received medical assistance through help with prescriptions, doctor visits, X-rays, vision, hearing and dental services.

1200 personal hygiene kits were given out to homeless clients. Food stamps can not be used to purchase these items. Donations are appreciated.

We are now offering one-on-one personal and family counseling. We have worked with 13 individuals who requested extra support.

Did you know?

To date, NCM has provided 112 clients with bus tickets or gas cards to get them to doctor's appointments and go to job interviews.

We also use these as incentives for attending on-site job and financial workshops.
