From Shirley Cabe, Executive Director

Over our last 30 years, our mission has been "Helping those in crisis by collaborating with the community to offer programs and services that transform lives through the love of Christ".

You fed a hungry child,

You helped a senior citizen stay warm in their house

You housed a homeless mom and her kids,

You helped a veteran find a job

You provided dental assistance for a man without insurance.

Thank you for making a difference in the lives of so many in this community.

A special note from Arnie Hulteen, NCM Director of Development

Donating to NCM is the perfect opportunity to make a difference in the lives of all those who come to us for help. By making a difference in someone's life, you are leaving behind a legacy. Also volunteering gives you the opportunity to meet new people and expand your circle of acquaintances. While most charitable organizations always need money, many could not operate without an army of volunteers. Please join us.

Mission:

Helping those in crisis by collaborating with the community to offer programs and services that transform lives through the love of Christ.

Diagnosed with a serious medical condition and forced to stop working as a nurse contractor, I became unable to pay my rent and utilities.

Donna, the faith community nurse, got the ball rolling on my behalf. As I was recovering from surgery, I was able to breathe again knowing I could fully concentrate on regaining my health without worrying about my basic bills being paid. I was not just handed a check and dismissed but the staff kept in constant contact with me to make sure I was doing well during my recovery.

J. Venne

How it all began...

In October 1986, the seed was planted with church leaders considering "wouldn't it be wonderful if all the Norcross area churches could combine their efforts to help those in need in our area?"

Then it happened. In 1988 several local churches joined together to form the Norcross Cooperative Ministry with a mission to provide services to low income and homeless families in our community. In the beginning NCM provided food for 2 to 5 families a day. NCM now serves 50-70 families a day with food, clothing, and financial assistance. Responding to the changing dynamics of the community, NCM continues to expand its services to career coaching, resume assistance, spiritual guidance, medical and dental referrals as well as prescription assistance, financial coaching, tutoring and Christmas assistance.

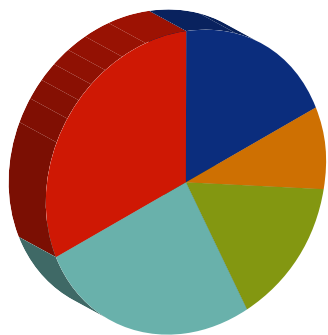

It is through the support of our local churches, businesses, foundations and individuals that make this ministry possible. Together we are making a difference in our community.
